पुनर्जागरण

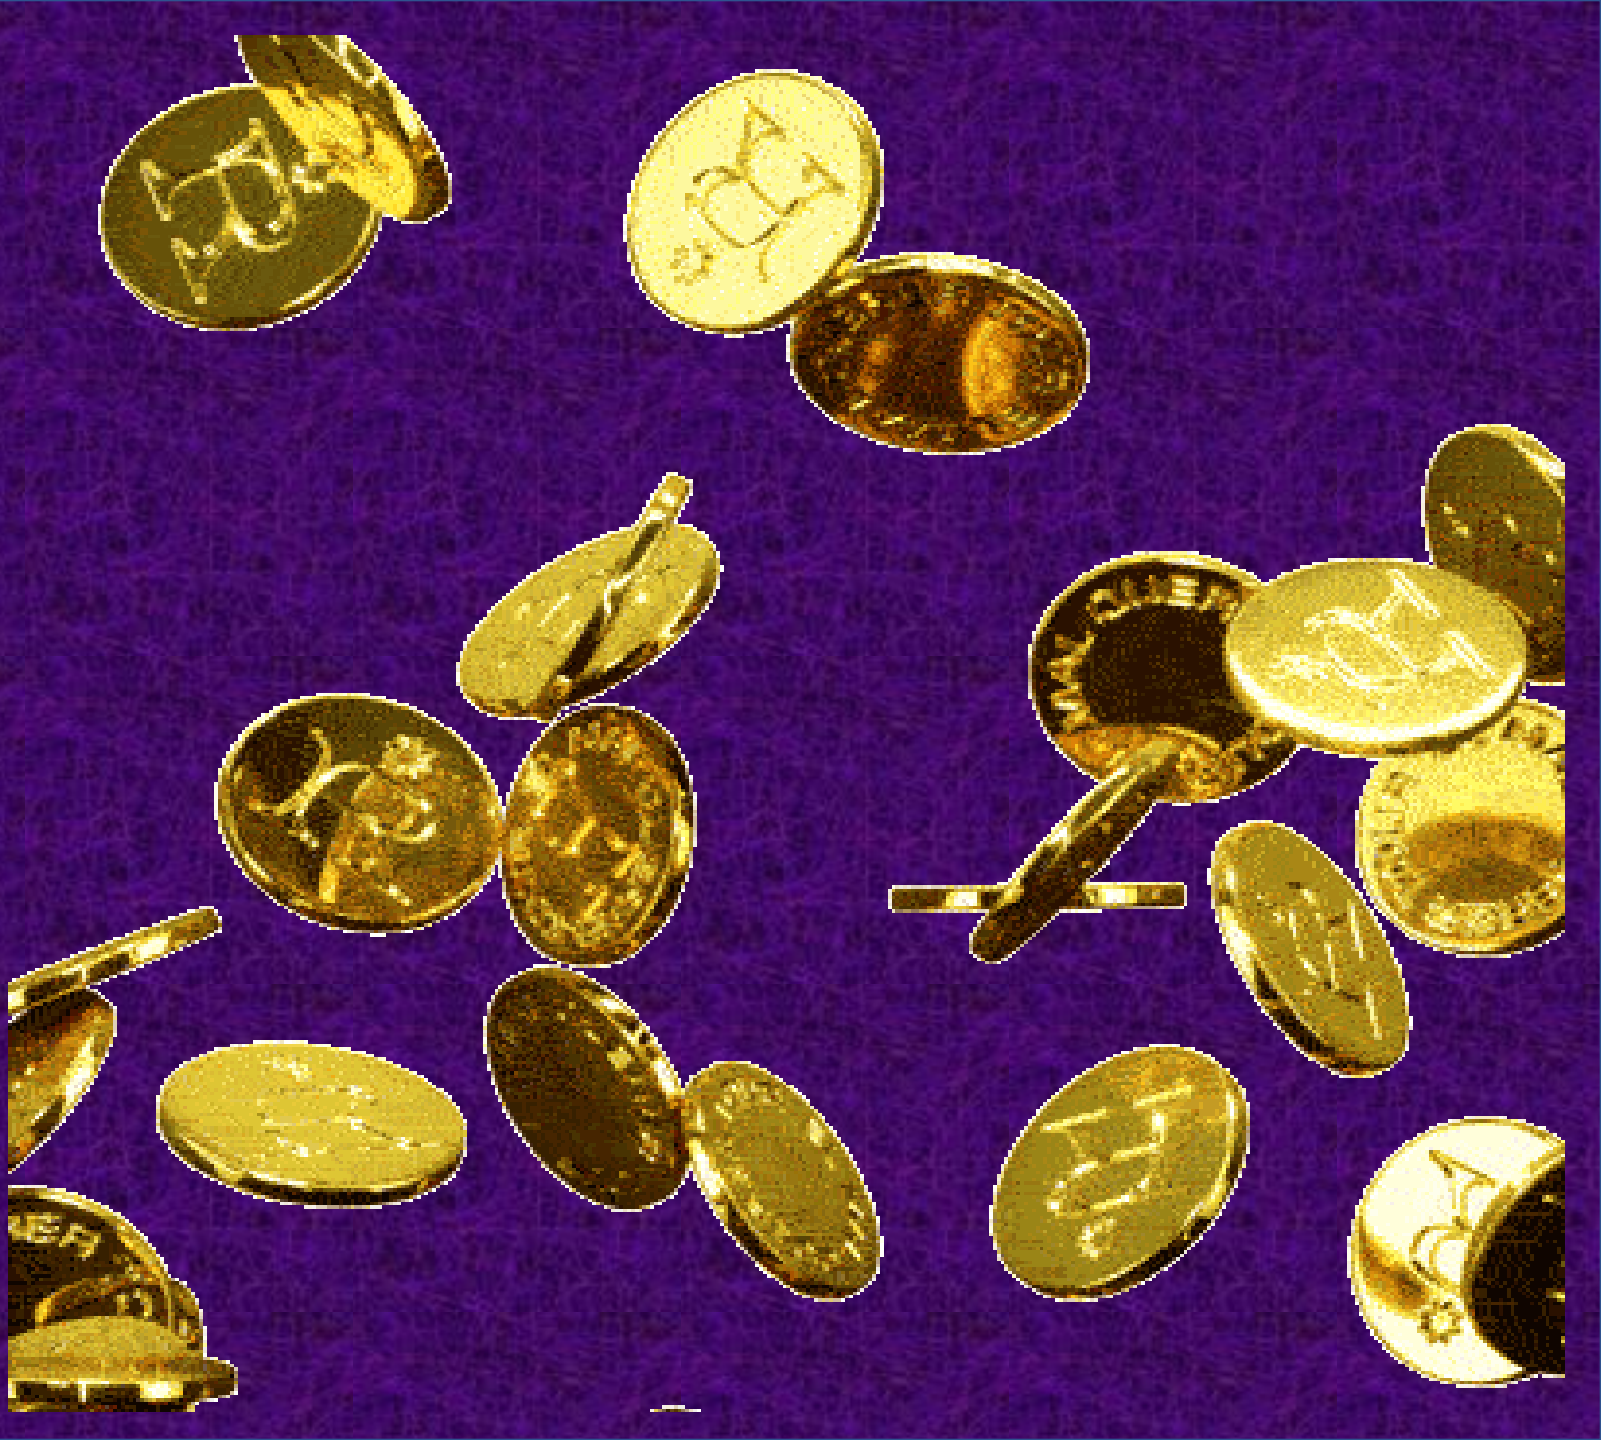

A man with a shaved head, wearing a black robe, stands in the foreground, looking slightly to the right. The background is a blurred crowd of people, some holding flags, suggesting a public gathering or protest. The lighting is dramatic, with strong highlights and deep shadows.

War**

Assassination of Archduke Franz Ferdinand

Each country wanted to prove it's power and dominance. Serbia wanted to separate from Austria - Hungary and control Bosnia and Herzegovina.

Arms race; Germany built up it's military the most. Germany and Britain built up their navies the most.

Germany and Russia's military had a great impact on their public.

Nationalism

Militarism

European countries raced for control of foreign lands like Africa and Asia which held many raw materials.

This caused a lot of tension between countries.

Serbia & Russia
France, & Belgium

Imperialism

Causes

World War 1

Trust in many political leaders was lost in some countries.

Effects

Political

Before the war, there were 14 monarchies and 3 republics in Europe. After the war, there were 11 monarchies and 11 republics.

Economic

Germany had lost money for the war, so they had to pay a large part of money for many years.

American prosperity; "Roaring Twenties"

Social

The Spanish Flu was brought to America in 1918.
